## PATIENT STORY – ROHINI BHATIA – 8 Years

Rohini Bhatia's journey took a difficult turn when she was diagnosed with Embryonal Rhabdomyosarcoma, a life-threatening condition that placed an immense financial strain on her family. Her father, a barber earning just ₹6,000 per month, struggled to afford the costly treatment while her mother is a housewife. Referred to HCG Foundation by Dr. Krisha Shah, hope emerged as the foundation stepped in to cover the expenses of her chemotherapy and radiation therapy. With this crucial support, Rohini continues her fight with courage, surrounded by the care and compassion that is making her recovery possible.

## Oral Cancer Screening camps

The HCG Foundation, in collaboration with **Merck Specialities Limited**, initiated the Cancer Screening Project to enhance early detection and awareness of oral cancer in rural areas of Nagpur.

The project leverages a mobile screening van equipped with advanced diagnostic tools to conduct cancer screening camps, provide tobacco de-addiction therapy, and educate the community about the risks and early signs of oral cancer.

## **Childhood Cancer Day Celebration - Ahmedabad 15<sup>th</sup> Feb 2025**

HCG Foundation, in collaboration with **Access Life Foundation**, marked Childhood Cancer Day with a day full of learning and joy! Dr. Krisha Shah, Pediatric Oncologist at HACC, delivered an insightful health talk on Health & Hygiene. The little warriors then unleashed their creativity through drawing activities, followed by a heart-warming gift distribution. Together, we stand for awareness, care, and a brighter future for these brave young souls!

## **Childhood Cancer Day Celebration - Bangalore 14<sup>th</sup> Feb 2025**

A beautiful celebration of strength, courage, and hope unfolded on Childhood Cancer Day, conducted at Swasti Art Gallery in collaboration with **TROY**. Children undergoing treatment came together in a joyful display of resilience, surrounded by the unwavering support of caregivers, doctors, and volunteers. The atmosphere was filled with music, dance, laughter, and love — reminding us of all that even in the face of adversity, the spirit of childhood shines brightly. Let's continue to stand by these young warriors, raise awareness, and be a part of their journey toward healing.

## HPV Vaccination Drive 25<sup>th</sup> & 26<sup>th</sup> March 2025

With the CSR support of **Go Fashion India Ltd.**, HCG Foundation successfully facilitated HPV vaccination for 130 government school girls aged 9 to 15 in rural villages of Gulbarga, Karnataka.

This initiative aims to protect young girls from cervical cancer by promoting early prevention through vaccination. The program also included awareness sessions for parents and teachers, ensuring informed participation and community support.

## Breast Cancer Awareness Talk - 25<sup>th</sup> March 2025

With the support of Go Fashion India Ltd., HCG Foundation conducted a breast cancer awareness session in Shimoga for 93 women.

The session focused on educating participants about early signs, self-examination techniques, and the importance of timely screening. Following the session, 15 women underwent clinical breast screening, promoting early detection and proactive health-seeking behavior.

## Breast Cancer Screening Camps - Mysore 19<sup>th</sup> & 20<sup>th</sup> March

HCG Foundation, with the support of **Go Fashion India Ltd.**, conducted breast cancer screening and awareness camps in Mysore, reaching a total of 117 women.

Awareness sessions empowered 42 women in one camp and 75 women in another with knowledge on breast cancer risks, early symptoms, and self-examination. The initiative emphasized early detection and encouraged women to prioritize their breast health.

## **Cervical Cancer Awareness & PAP SMEAR DRIVE 20th & 22nd March 2025**

HCG Foundation, in collaboration with HCG Aastha Cancer Centre and Iota Diagnostic Centre, organized an awareness session on Cervical Cancer Prevention & Early Detection on March 20, 2025, at HACC Auditorium. As a follow up of the Cervical Cancer Awareness Session, Pap Smear Test Camp was organized on March 22, 2025 in association with Iota Diagnostic Centre at HACC, First Floor OPD. A total of 30 staff members participated and underwent pap smear tests as part of this important health initiative.
